Liss Hall Says Dr. Greene's Nervura Surely Cures.

he Recommends Dr. Greene's Nervura for the Weak, Tired, Nervous and Debilitated--Says It is the Best of All Medicines.

Pauline Hall, the empress of song, is celebrated the world over as the Representative American Beauty, who has in the presentation of her new operatic comedy, "Dorcas," achieved the success of her eventful life. In a conversation with the representative of this paper, she stated:

"I have in my professional experience essayed a number of roles that have been more or less trying upon the physical and nervous system, but in none that I have attempted have I ever experienced the terrific strain that the various characters which I assume in my new operatic comedy, "Dorcas," have subjected me to. The assumption of one character in a presentation is generally conceded to be a sufficient undertaking for any one person, but in "Dorcas" I assume three, all different, and I might say diametrically opposite to each other.

"The terrific strain naturally resulting from such difficult work, which is a new and direct departure from anything I have ever presented to the public before, naturally had a very distressing effect upon me, and I was

constrained to seek some relief from the mental and physical exhaustion from my labors. After trying several remedies that were commended to me as being exceptionally good for the nervous exhaustion which I was subjected to, I was eventually induced to make a trial of Dr. Greene's celebrated Nervura, and the great relief which it afforded me was almost instantaneous in its effect, and I have no hesitation in unqualifiedly endorsing Dr. Greene's Nervura as the best tonic and restorer of a nervous and debilitated system of any remedy that I have ever tested. It is remarkable for the rapidity with which it restores the system, and the instantaneous relief which it affords to the nervous and tired system is grateful in the extreme. I can readily understand why it is that so many hearty recommendations are given by people of prominence, especially those in our profession, for Dr. Greene's Nervura, and direct departure from anything I have ever presented to the public before, naturally had a very distressing effect upon me, and I was

FARRANO IMPROVING.

Has Many Friends and Well Wishers.

Frank Farrano, the young man who met with a serious accident while cleaning windows at the Sterling house Thursday, is expected to recover. A great deal of sympathy is felt for him by the residents of the house. He had been employed there about six months. Was a first class table waiter and man of all work, and well liked by everyone in the house. Although he speaks but little of the English language he understands and is always polite and obliging to any one. His place would be hard to fill. He is a Protestant and a member of the Calvary Baptist church.

AT HIS WITS' END

Father Tells How His Baby Suffered from Eczema.

IN ITS WORST FORM

Grew Worse Under Treatment of Best Physicians. Tried

CUTICURA REMEDIES

Great Change in Five Days. To-day Entirely Cured, With Nice Head of Hair. Lively and Healthy.

I had a baby that had Eczema in its worst form. I had one of the best physicians in the city attending her, but she continued to get worse all the time under his treatment. He finally admitted that he was at his wit's end. I then got CUTICURA REMEDIES, and in a few days noticed great change in her condition. She continued to improve after that, and today is entirely cured, has nice head of hair, and is lively and healthy. I can fully recommend them as being the best medicine for the cure of this disease. I spent considerable money for drugs and doctor's bills, which was useless in this case, for I think if your remedies don't cure, nothing will. I am telling every one that I see suffering about CUTICURA REMEDIES, and can cheerfully recommend them to those in need of them.

In the Afternoon Trading a Slight Recovery Took Place.

New York, Oct. 11.—Stocks were quiet again to-day. In the early trading the market felt the influence of yesterday's favorable report of the government on the year's crops, and prices moved up 1/4 to 5/8 per cent. Rather sensational reports from Chicago about the freight situation in the west, however, led to a reactionary movement in the railway list shortly after the opening, and the gain noted was soon lost. Burlington and Quincy fell to 84 1/2, Northwest to 106, St. Paul to 75 1/2, and Rock Island to 76 1/2.

In the afternoon trading a slight recovery took place, owing to the short contracts. The industrials, however, monopolized the attention of traders, and of these issues Chicago Gas was the special card and moved up 1/4 to 5/8 per cent. The buying of the stock was due to reports that the Flower-Brady committee secured a majority of the Fidelity Trust company receipts and that application will be made shortly to have the Central Trust company certificates listed on the stock exchange. Rumors were also current that the opponents of the committee named were prepared to make application at once for an injunction to restrain the reorganization of the property, but it had no influence on the stock. Sugar, Leather, Cotton Oil and Tobacco were generally lower.

In the inactive issues Nashville, Chattanooga and St. Louis sold at 80 for 100 shares against 81 1/2 on Wednesday. The closing quotation was 76 bid and 90 asked. Illinois Steel advanced 1/4 to 80 1/2. American Express 1/4 to 115 1/2, and State Gas 1/4 to 22 1/2. The market closed firm but without animation. Net changes show gains of from 1/4 to 1 1/4 per cent. for the usually active issues. Leather preferred lost 1 per cent. Bonds were very irregular. Sales were \$1,559,000.
